*December 6, 2012*

*Dear Members of Shore Women,*

*On behalf of the Development Department at the American Red Cross Jersey Coast Chapter I want to thank you for a fun evening and your continued support of the American Red Cross Mission. It was really wonderful meeting you all, and in some cases putting a face to a name. When Grace spoke of what YOUR mission is and what goals you strive to accomplish I was so impressed. To hear that a group of strong women have come together not just to support each other, but to work as a team to help achieve each other's individual goals is extraordinary. For you to incorporate giving back to your community truly touches my heart. One of my favorite things about my job is that I get to be surrounded by positive, selfless and creative people that are fully engaged in life.*

*We are honored that the Shore Women have chosen to partner with us to help accomplish our goals. We all look forward to doing great things together in the future. Happy Holidays to all! We wish you great success in 2012!*

*Warm wishes and many thanks!*

*Kim Price  
Debi Heptig  
Donna Maritato  
The Development Department*
